Aruba, a Hewlett Packard Enterprise company, is planning the End of Sale for the HPE OfficeConnect 1820 switches on the dates listed below (or until supplies are gone). Customers are highly encouraged to transition to the recommended replacement, Instant On 1830 switches, as soon as possible.

HPE OfficeConnect 1820 Switch Series Replacement Products

The Aruba Instant On 1830 Switch Series is the recommended replacement for the HPE OfficeConnect 1820 Switch Series.

The Aruba Instant On 1830 Switch Series is an affordable, easy to deploy, smart-managed switches for small businesses looking for cost-effective ways to keep up with evolving network demands. These are entry-level switches offering Layer 2 switching capabilities with gigabit connectivity along with flexible management modes – all at an affordable price point. With a flexible management dashboard, Power over Ethernet (PoE) options, and energy-efficient features, these switches deliver a solid business network for SMBs with limited budget.

Aruba Instant On 1830 Switch Series was launched on **January 24, 2022,** and the units will begin shipping in **March 2022**.
